

FSEM Spring Symposium 2023

TENDINOPATHY

Thursday 30th March, 2023
Regent House, Trinity College Dublin – 6:30 to 9pm.

CALL FOR ABSTRACTS FOR POSTER PRESENTATIONS

Graduate students from all disciplines related to the activities of the Faculty of Sports and Exercise Medicine (RCPI & RCSI) are invited to present their research at the FSEM Spring Symposium on Thursday 30th March 2023 at Trinity College Dublin.

Research presentations may address any topic related to Sports and Exercise Medicine. We welcome abstracts on recently completed projects, projects in progress or in planning.

Interested students should submit an abstract in Word format **by 5pm Thursday 9th March, 2023** by e-mail to: sportsfac@rcsi.ie

Abstracts should conform to the below template. The word limit for abstracts is 300 words (not including title, author names, author's affiliations). Abstracts that do not conform to the guidelines will not be considered.

Please follow the below template:

Title:

Authors: (e.g. O'Connell G.^{1,3}, O'Brien B.^{2,3}, O'Grady P.^{3,3})

Affiliations: (e.g. ¹Department of Nursing & Healthcare, TCD
²Department of Sport & Health Sciences, TCD
³Department of Life & Physical Sciences, TCD

Background:

Aim/Objectives:

Methods:

Results:

Conclusion:

All submissions will be contacted **by Thursday 16th March 2023**, and successful students will be announced for presenting their poster at the spring symposium. Posters will be displayed on the evening with a panel of judges voting on the winner.

POSTER PRESENTATION GUIDELINES

Practical Information:

Your Poster should be size A0 and in portrait format. That is 33.1(w) X 46.8 (h) inches. The title, author(s) and institution are to be prominently displayed across the top border with lettering height between 1 and 2 inches (2.5cm-5.0cm). Include social media tags and handles. The poster will be viewed from about 3 feet distance, so choose large type, appropriate images, graphs, or print and points that can be read from that distance.

Posters Must Include:

Introduction: Should reflect a rationale for why you did this work. State the intend aim or objective for the work.

Methods: Should be a brief explanation of what was done and how it was done. This may include design, participants, data collection or a brief explanation of what you did or protocol used if a systemic review.

Results: Describing the main findings or outcomes and include data.

Discussion: Define what the results mean in terms of the background knowledge, practice and/or aims. Compare and contrast with the current evidence or context.

References and Acknowledgements: Include up to 4 references and acknowledge those who supported your work. Usually a combination of tables, figures, illustrations and photographs are employed along with legends where appropriate.

Posters can be placed upon arrival at 6.00pm, whilst registration is taking place. The posters will be judged by an independent panel. There will be an acknowledgement for the best poster of the symposium by the end of the event

Abstracts are to be sent by e-mail to: sportsfac@rcsi.ie
Enquiries: e-mail sportsfac@rcsi.ie or contact Annemarie on 01- 402 2382.

Pre - Registration for the event is required in order to submit an abstract
